

MR. POTATO HEAD

2017 Fall Junior High Retreat

November 3 (7PM) to

November 5 (1PM)

Isn't it fun to take Mr. Potato Head's pieces and put them in crazy spots? **Picking and choosing exactly which spot to put each piece and which pieces to use. Do we sometimes live our Christianity this way, picking and choosing the pieces we want to follow?** Through a study of Matthew 6:19-26 and Revelation 3:15-16 we will explore the problem of following two masters: our own will and God's will.

\$120 for the weekend. Includes snack on Friday night, five meals, and housing in our retreat villages.
